

1. Visit the "Geocaching in the Parks October Competition" events page.
2. Click register online (you don't have to make an account, you can continue as a guest)
3. Once you come to the event registration either do:
 - a. Individual: For those playing by themselves
 - b. Family: For those playing as a team
 - i. **only one person needs to register if they are playing as a team**

4. Playing as a team:

- a. Select from dropdown and select "family registration" (please select even if you are playing as a group that is not family)
- b. Enter a team name
- c. Use this team name on the visitors log.
- d. Enter the number of adults and children in the team.
- e. Press "add to cart"
- f. Press "Checkout"
- g. Enter all required information
- h. Press next step
- i. Enter the required info
- j. Press "submit order"
 - i. You should NOT be asked to enter any card info since the event is free. If you are, verify you are on the correct event.

5. Playing as an individual:

- a. Select from dropdown and select "individual registration"
- b. Enter 1 for adults and 0 for children
- c. Press "add to cart"
- d. Press "checkout"
- e. Enter all required information
- f. Press next step
- g. Enter the required info
 - i. **If you are using a code name on the logs please enter this as your "first name" when filling out the required info. This "first name/code" should match what you write in the visitors log.**
- h. Press "submit order"
 - i. You should NOT be asked to enter any card info since the event is free. If you are, verify you are on the correct event.
