CHAPTER I: GENERAL

SCOPE. By the authority granted to the Story County Conservation (SCC) Board by the laws of the State of Iowa Chapter 350.5 of the Code of Iowa, the following rules and regulations approved by the Board for the protection, regulation, and control of all areas under Board jurisdiction.

The rules and regulations governing the use of park areas are intended to protect park visitors and the parks from abuse and misuse. In addition to the rules and regulations adopted by the SCC Board, all state laws apply to conduct in county parks. The traffic laws of the State of Iowa apply to county park roads in the same manner as they do on state highways. Other chapters of the law concerning alcoholic beverages and destruction of public buildings apply in all county parks.

After the publication and posting, a person violating a provision of the regulations

which are then in effect is guilty of a simple misdemeanor. The board may designate the director and those employees as the director may designate as police officers who shall have all the powers conferred by law on police officers, peace officers, or sheriffs in the enforcement of the laws of this state and the apprehension of violators upon all property under its control within and without the county.
